September 6, 2019

Dear Suncoast Academy Middle Parents & Guardians,

Our teachers are continuously developing increased levels of content expertise. We have several teachers that are currently certified in one area but they are teaching in a specific content area in which they are not certified or endorsed. An endorsement is an additional certification above a teacher’s certification area. ESOL, Gifted and Reading are all add-on endorsement areas. While working towards their endorsements for this additional specialization, they are approved to teach out of field by administration.

Teacher	Current Certification(s)	Out-of-Field Area
Julia Elizabeth Sampson	English, ESE	Reading (K-12)
Evie Bates	Social Studies	Gifted
Ashley Hayes	English, General Science, Math	Social Studies
Chelsie Jacob	ESE, Middle Grades Integrated Curriculum (Math, Science, Social Studies, English)	Reading (K-12)
Mary Grimaldi	Elementary Education, Family & Consumer Science, Math	Gifted
Myreli Zamora	Mathematics, World Language	Gifted

Sincerely,

*Joshua Reinweber*
